Dear Mr Tang,

Letter of Appreciation for Hospital Accreditation
Pamela Youde Nethersole Eastern Hospital

I write to inform you that we went through a 5-day Periodic Review Survey during the period from 13 to 17 June 2016 and we will be recommended by the accreditation body, ACHS, to maintain the accreditation status as accredited.

We appreciate very much for your support in our preparation and in the course of survey, especially the additional efforts that your company has put in. We have received very positive feedback from the surveyors in various aspects including our housekeeping and environmental cleanliness, your staff is certainly part of our team who achieve this.

Thanks again for your hard work. I hope we maintain this momentum and the quality of service we provide to the hospital.

Yours sincerely,

(Mr Hans LI)
